The Town of Fairlee has signed a legal and binding contract stating that the Town will comply with all of the enclosed documents plus the Outdoor Recreation Grants-in-Aid Manual for the Land and Water Conservation Fund. All the enclosed material should be read carefully. If the Town of Fairlee would like to have a copy of the LWCF Manual, it can be purchased from the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402.

The State and Federal Government cost share in the expenses of administering the HCRS program in Vermont. Therefore, on certain projects, #50-00303 is one of them, an indirect cost rate is added, and you will need to disregard the funding information in the project forms. Based on the appraisal, funding for the Town will be as follows:

HCRS Reimbursement (50%)	\$ 79,250.00
State Assistance (30%)	47,550.00
Local Share (20%)	31,700.00
	<u>\$158,500.00</u>
